

Lilac Festival Tours sponsored by the Highland Park Conservancy

Tuesday, May 18, 2010 at 7:00 p.m. Poetry in the Park.

Fr. William Amann will lead a tour of "Highland Park Poetry Sites." Fr. Amann's brother, who taught at St. John Fisher College, wrote several poems inspired by Highland Park and Park sites that he loved. Fr. Amann has had the poems published, and will lead a tour based on the poetry. He will also have the books available. All donations for the book will be placed in our Fund to Rebuild the Children's Pavilion.

The Lilac Festival will be in full swing, and we hope the lilacs will be at peak perfection on May 20. Join us as a member of the Monroe County Parks Department gives a guided tour of some of the amazing array of lilac bushes that help to make Highland Park famous.
