County Clerk Jamie Romeo Announces New Mobile DMV Site at Ibero Community Resource Center

(Rochester NY) – The Mobile County Mobile DMV Unit is hitting the road again, this time setting up at the Ibero Community Resource Center on Clifford Avenue. This new partnership will bring the Mobile DMV unit to Clifford Avenue the first Tuesday of every month.

“My office works every day to expand access to essential DMV services, and we are incredibly proud of our new partnership with the Ibero American Action League. This Mobile DMV event will serve an often overlooked community who will now be able to process transactions on site or get answers to questions from our knowledgeable staff. We look forward to engaging with the community today and look forward to future Mobile DMV events across Monroe County.” County Clerk Romeo stated.

"The Ibero Community Resource Center team is delighted to bring a much-needed service to the community," said Keila Puello, director of the Center. "As part of this partnership the Community Resource Center staff will be available to provide translation services to community members who need that support. We believe that bringing services to the heart of our community is critical, and Ibero is happy to partner with the Monroe County Clerk's office and the Father Tracy Advocacy Center to make this a reality!"

Beatriz LeBron, Executive Director at the Father Tracy Advocacy Center said, “The (Father Tracy Advocacy) Center is honored to work with our community partners, Ibero and the Monroe County Clerk’s Office, to ensure equitable access to DMV services for some of the most vulnerable population we serve.”

The Monroe County Clerk’s Office will be announcing more Mobile DMV opportunities in the coming weeks.
