To Whom it May Concern:

I am writing to support the application of the Urban League of Rochester, NY, Inc. and their partners for the Unemployed/Underemployed Workforce Development Program

Rock Environmental is a leading environmental remediation and demolition company located in Rochester, NY, that provides a variety of services in the following areas: Environmental Remediation, Demolition, Biohazard, and Emergency Restoration. Rock Environmental excels at providing remediation & biohazard cleanup services to both commercial and residential locations, and offers 24/7 service to ensure clients' needs are always met. We pride ourselves on our diversity and inclusive work environment and are passionate about generating opportunities for individuals in our community who are just entering the field, or who have faced significant challenges to obtaining and maintaining employment.

If awarded funding for the development of this program, Rock Environmental will work in collaboration with the Urban League of Rochester and its partners to provide information regarding our company and the work that we do, while also presenting available employment opportunities for qualified program participants. Rock Environmental is passionate about providing career and additional training opportunities to our communities most underserved and underrepresented populations.

In conclusion, Rock Environmental fully supports the Urban League of Rochester's application for funding to provide environmental abatement and remediation training, as well as other supports to assist in the development of credentialing and employment for those who continue to experience barriers to meaningful employment and the accumulation of intergenerational wealth.

Sincerely,
