Anthony Love Sentenced to 25 Years for the Death of 3-Year-Old Kei'Mere Marshall

Rochester, NY- On March 3, 2022, 34-year-old Anthony Love was sentenced by New York State Supreme Court Justice Victoria Argento to 25 Years in the New York State Department of Corrections plus 5 years of Post-Release Supervision for the murder of 3-year-old Kei'Mere Marshall. After a jury trial, Anthony Love was found guilty of Manslaughter in the 1st Degree for Kei'Mere's death.

On July 11, 2020, officers from the Rochester Police Department were called to the scene when Kei'Mere Marshall was found unresponsive. The toddler was taken to Strong Memorial Hospital, where she passed away three days later. While at the hospital, Kei'Mere was found to have numerous severe injuries comparable to being struck by a vehicle. Kei'Mere's mother, Andrea Lipton, and her boyfriend, Anthony Love, were arrested for Kei'Mere's death. Andrea Lipton's trial is scheduled to begin on April 4, 2021.

The case was prosecuted by Assistant District Attorney Sara Van Strydonck, Chief of Special Victims Unit and Assistant District Attorney Amanda Balling, Deputy Chief of the Special Victims Unit.

"The Monroe County District Attorney's Office is pleased that Anthony Love received the maximum sentence for this heart-wrenching crime that left an innocent 3-year-old child dead," said Assistant District Attorney Sara Vanstrydonck. "As with previous child abuse cases, we hope that this trial has taught our community that no one should be a bystander to child abuse. It is 100% preventable, as was Moochie's death. Thank you to the Rochester Police Department for leading this heartbreaking investigation and helping us to secure today's sentence."

“Today, our hearts are with the loved ones of Kei’Mere who loved him and cared for him during his short life,” said Monroe County District Attorney Sandra Doorley. “It is devastating that Anthony Love did not value this child’s life and took little Moochie from the everyone who loved him. Let us remember Moochie’s short life and unnecessary death when we see or suspect something in our community and neighborhoods. We will move forward with the Manslaughter in the 2nd Degree trial of Andrea Lipton next month.”
