(a) "A device capable of deciphering any electronically readable format" or "device" shall mean any commercial device or combination of devices used at a point of sale or entry that is capable of reading the information encoded on the bar code or magnetic strip of a driver's license or non-driver identification card issued by the state commissioner of motor vehicles;

(b) "Card holder" means any person presenting a driver's license or non-driver identification card to a licensee, or to the agent or employee of such licensee under this chapter;

(c) "Smoking paraphernalia" means any pipe, water pipe, hookah, rolling papers, vaporizer or any other device, equipment or apparatus designed for the inhalation of tobacco;

(d) "Transaction scan" means the process involving an automated bar code reader by which a licensee, or agent or employee of a licensee under this chapter reviews a driver's license or non-driver identification card presented as a precondition for the purchase of a tobacco product or herbal cigarettes pursuant to subdivision three of this section; and

(e) "Liquid nicotine", "electronic liquid" or "e-liquid" means a liquid composed of nicotine and other chemicals, and which is sold as a product that may be used in an electronic cigarette.

2. Any person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes are sold or offered for sale is prohibited from selling such products, herbal cigarettes, liquid nicotine, shisha, electronic cigarettes or smoking paraphernalia to individuals under twenty-one years of age, and shall post in a conspicuous place a sign upon which there shall be imprinted the following statement, "SALE OF CIGARETTES, CIGARS, CHEWING TOBACCO, POWDERED TOBACCO, SHISHA OR OTHER TOBACCO PRODUCTS, HERBAL CIGARETTES, LIQUID NICOTINE, ELECTRONIC CIGARETTES, ROLLING PAPERS OR SMOKING PARAPHERNALIA, TO PERSONS UNDER TWENTY-ONE YEARS OF AGE IS PROHIBITED BY LAW." Such sign shall be printed on a white card in red letters at least one-half inch in height.

3. Sale of tobacco products, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes in such places, other than by a vending machine, shall be made only to an individual who demonstrates, through (a) a valid driver's license or non-driver's identification card issued by the commissioner of motor vehicles, the federal government, any United States territory, commonwealth or possession, the District of Columbia, a state government within the United States or a provincial government of the dominion of Canada, or (b) a valid passport issued by the United States government or any other country, or (c) an identification card issued by the armed forces of the United States, indicating that the individual is at least twenty-one years of age. Such identification need not be required of any individual who reasonably appears to be at least twenty-five years of age, provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of a tobacco product, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes to an individual under twenty-one years of age.

4. (a) Any person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes are sold or offered for sale may perform a transaction scan as a precondition for such purchases.

(b) In any instance where the information deciphered by the transaction scan fails to match the information printed on the driver's license or non-driver identification card, or if the transaction scan indicates that the information is false or fraudulent, the attempted transaction shall be denied.

(c) In any proceeding pursuant to section thirteen hundred-ninety-nine-ee of this article, it shall be an affirmative defense that such person had produced a driver's license or non-driver identification card apparently issued by a governmental entity, successfully completed that transaction scan, and that the tobacco product, herbal cigarettes or liquid nicotine had been sold, delivered or given to such person in reasonable reliance upon such identification and transaction scan. In evaluating the applicability of such affirmative defense the commissioner shall take into consideration any written policy adopted and implemented by the seller to effectuate the provisions of this chapter. Use of a transaction scan shall not excuse any person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes are sold, or the agent or employee of such person, from the exercise of reasonable diligence otherwise required by this chapter. Notwithstanding the above provisions, any such affirmative defense shall not be applicable in any civil or criminal proceeding, or in any other forum.

5. A licensee or agent or employee of such licensee shall only use a device capable of deciphering any electronically readable format, and shall only use the information recorded and maintained through the use of such devices, for the purposes contained in subdivision four of this section. No licensee or agent or employee of a licensee shall resell or disseminate the information recorded during such a scan to any third person. Such prohibited resale or dissemination includes but is not limited to any advertising, marketing or promotional activities. Notwithstanding the restrictions imposed by this subdivision, such records may be released pursuant to a court ordered subpoena or pursuant to any other statute that specifically authorizes the release of such information. Each violation of this subdivision shall be punishable by a civil penalty of not more than one thousand dollars.

6. A licensee or agent or employee of such a licensee may electronically or mechanically record and maintain only the information from a transaction scan necessary to effectuate this section. Such information shall be limited to the following: (a) name, (b) date of birth, (c) driver's license or non-driver identification number, and (d) expiration date. The commissioner and state commissioner of motor vehicles shall jointly promulgate any regulations necessary to govern the recording and maintenance of these records by a licensee under this chapter. The commissioner and the state liquor authority shall jointly promulgate any regulation necessary to ensure quality control in the use of the transaction scan devices under this chapter and article five of the alcoholic beverage control law.

7. No person operating a place of business wherein tobacco products, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes are sold or offered for sale shall sell, permit to be sold, offer for sale or display for sale any tobacco product, herbal cigarettes, liquid nicotine, shisha or electronic cigarettes in any manner, unless such products and cigarettes are stored for sale (a) behind a counter in an area accessible only to the personnel of such business, or (b) in a locked container; provided, however, such restriction shall not apply to tobacco businesses, as defined in subdivision eight of section thirteen hundred ninety-nine-aa of this article, and to places to which admission is restricted to persons twenty-one years of age or older.

§ 1399-dd. Sale of tobacco products, herbal cigarettes or electronic cigarettes in vending machines. No person, firm, partnership, company or corporation shall operate a vending machine which dispenses tobacco products, herbal cigarettes or electronic cigarettes unless such machine is located: (a) in a bar as defined in subdivision one of section thirteen hundred ninety-nine-n of this chapter, or the bar area of a food service establishment with a valid, on-premises full liquor license; (b) in a private club; (c) in a tobacco business as defined in subdivision eight of section thirteen hundred ninety-nine-aa of this article; or (d) in a place of employment which has an insignificant portion of its regular workforce comprised of people under the age of twenty-one years and only in such locations that are not accessible to the general public; provided, however, that in such locations the vending machine is located in plain view and under the direct supervision and control of the person in charge of the location or his or her designated agent or employee.

(a) "Advertisement" means words, pictures, photographs, symbols, graphics or visual images of any kind, or any combination thereof, which bear a health warning required by federal statute, the purpose or effect of which is to identify a brand of a tobacco product, electronic cigarette, or vapor product intended or reasonably expected to be used with or for the consumption of nicotine, a trademark of a tobacco product, electronic cigarette, or vapor product intended or reasonably expected to be used with or for the consumption of nicotine or a trade name associated exclusively with a tobacco product, electronic cigarette, or vapor product intended or reasonably expected to be used with or for the consumption of nicotine or to promote the use or sale of a tobacco product, electronic cigarette, or vapor product intended or reasonably expected to be used with or for the consumption of nicotine.

(b) Any person, corporation, partnership, sole proprietor, limited partnership, association or any other business entity in violation of this section shall be subject to a civil penalty of not more than five hundred dollars for a first violation and not more than one thousand dollars for a second or subsequent violation.

§ 1399-ee. Hearings; penalties. 1. Hearings with respect to violation of this article shall be conducted in the same manner as hearings conducted under article thirteen-E of this chapter.

2. If the enforcement officer determines after a hearing that a violation of this article has occurred, he or she shall impose a civil penalty of a minimum of three hundred dollars, but not to exceed one thousand five hundred dollars for a first violation, and a minimum of one thousand dollars, but not to exceed two thousand five hundred dollars for each subsequent violation, unless a different penalty is otherwise provided in this article. The enforcement officer shall advise the retail dealer that upon the accumulation of three or more points pursuant to this section the department of taxation and finance shall suspend the dealer's registration. If the enforcement officer determines after a hearing that a retail dealer was selling tobacco products while their registration was suspended or permanently revoked pursuant to subdivision three or four of this section, he or she shall impose a civil penalty of twenty-five hundred dollars.

3. (a) Imposition of points. If the enforcement officer determines, after a hearing, that the retail dealer violated subdivision one of section thirteen hundred ninety-nine-cc of this article with respect to a prohibited sale to a minor, he or she shall, in addition to imposing any other penalty required or permitted pursuant to this section, assign two points to the retail dealer's record where the individual who committed the violation did not hold a certificate of completion from a state certified tobacco sales training program and one point where the retail dealer demonstrates that the person who committed the violation held a certificate of completion from a state certified tobacco sales training program.

(b) Revocation. If the enforcement officer determines, after a hearing, that a retail dealer has violated this article four times within a three year time frame he or she shall, in addition to imposing any other penalty required or permitted by this section, direct the commissioner of taxation and finance to revoke the dealer's registration for one year.

(c) Duration of points. Points assigned to a retail dealer's record shall be assessed for a period of thirty-six months beginning on the first day of the month following the assignment of points.

(d) Reinspection. Any retail dealer who is assigned points pursuant to paragraph (a) of this subdivision shall be reinspected at least two times a year by the enforcement officer until points assessed are removed from the retail dealer's record.

(e) Suspension. If the department determines that a retail dealer has accumulated three points or more, the department shall direct the commissioner of taxation and finance to suspend such dealer's registration for one year. The three points serving as the basis for a suspension shall be erased upon the completion of the one year penalty.

(f) Surcharge. A two hundred fifty dollar surcharge to be assessed for every violation will be made available to enforcement officers and shall be used solely for compliance checks to be conducted to determine compliance with this section.

4. (a) If the enforcement officer determines, after a hearing, that a retail dealer has violated this article while their registration was suspended pursuant to subdivision three of this section, he or she shall, in addition to imposing any other penalty required or permitted by this section, direct the commissioner of taxation and finance to permanently revoke the dealer's registration and not permit the dealer to obtain a new registration.

(b) If the enforcement officer determines, after a hearing, that a vending machine operator has violated this article three times within a two year period, or four or more times cumulatively he or she shall, in addition to imposing any other penalty required or permitted by this section, direct the commissioner of taxation and finance to suspend the vendor's registration for one year and not permit the vendor to obtain a new registration for such period.

5. The department shall publish a notification of the name and address of any retailer violating the provisions of this section and indicate the number of times the dealer has violated the provisions of this section. The notification shall be published in a newspaper of general circulation in the locality in which the retailer is located.

6. (a) In any proceeding pursuant to subdivision three of this section to assign points to a retail dealer's record, the retail dealer shall be assigned one point instead of two points where the retail dealer demonstrates that the person who committed the violation of section thirteen hundred ninety-nine-cc of this article held a valid certificate of completion from a state certified tobacco sales training program.

(b) A state certified tobacco sales training program shall include instruction in the following elements:

A person or entity administering such training program shall issue certificates of completion to persons successfully completing such a training program. Such certificates shall be prima facie evidence of the completion of such a training program by the person named therein.

(d) A certificate of completion may be issued for a period of three years, however such certificate shall be invalidated by a change in employment.

(e) Entities authorized pursuant to paragraph (c) of this subdivision to give and administer a tobacco sales training program may submit a proposed curriculum, a facsimile of any training aids and materials, and a list of training locations to the department for review. Training aids may include the use of video, computer based instruction, printed materials and other formats deemed acceptable to the department. The department shall certify programs which provide instruction in the elements set forth in paragraph (b) of this subdivision in a clear and meaningful fashion. Programs approved by the department shall be certified for a period of three years at which time an entity may reapply for certification. A non-refundable fee in the amount of three hundred dollars shall be paid to the department with each application.

§ 1399-ff. Enforcement. 1. Where a civil penalty for a particular incident has not been imposed or an enforcement action regarding an alleged violation for a particular incident is not pending under section thirteen hundred ninety-nine-ee of this article, a parent or guardian of a person under twenty-one years of age to whom tobacco products, herbal cigarettes or electronic cigarettes are sold or distributed in violation of this article may submit a complaint to an enforcement officer setting forth the name and address of the alleged violator, the date of the alleged violation, the name and address of the complainant and the person under twenty-one years of age, and a brief statement describing the alleged violation. The enforcement officer shall notify the alleged violator by certified or registered mail, return receipt requested, that a complaint has been submitted, and shall set a date, at least fifteen days after the mailing of such notice, for a hearing on the complaint. Such notice shall contain the information submitted by the complainant.

2. With respect to any penalty imposed with respect to a complaint under this section, an enforcement officer other than the department shall use fifty percent of such penalty collected for educational efforts administered by the board or a local school district for the purposes of preventing adolescent tobacco use.

3. The enforcement officer shall promptly notify the commissioner of taxation and finance and the director of the division of the lottery of any determination, made after a hearing, that a violation of this article has occurred together with a direction to such commissioner and director with respect to any action to be taken concerning registration under section four hundred eighty-a of the tax law and licensing under section sixteen hundred seven of the tax law.

§ 1399-gg. Out-of-package sales and minimum package sizes. 1. All tobacco cigarettes sold or offered for sale by a retail dealer shall be sold or offered for sale in the package, box, carton or other container provided by the manufacturer, importer, or packager which bears all health warnings required by applicable law.

An enforcement officer, as defined in section thirteen hundred ninety-nine-t of this chapter, may annually, on such dates as shall be fixed by the commissioner, submit an application for such monies as are made available for such purpose. Such application shall be in such form as prescribed by the commissioner and shall include, but not be limited to, plans regarding random spot checks, including the number and types of compliance checks that will be conducted, and other activities to determine compliance with this article. Each such plan shall include an agreement to report to the commissioner: the names and addresses of tobacco retailers and vendors and vapor products dealers determined to be unlicensed, if any; the number of complaints filed against licensed tobacco retail outlets and vapor products dealers; and

the names of tobacco retailers and vendors and vapor products dealers who have paid fines, or have been otherwise penalized, due to enforcement actions.

2. The commissioner shall distribute such monies as are made available for such purpose to enforcement officers and, in so doing, consider the number of licensed vapor products dealers and retail locations registered to sell tobacco products within the jurisdiction of the enforcement officer and the level of proposed activities.

3. Monies made available to enforcement officers pursuant to this section shall only be used for local tobacco and vapor product, intended or reasonably expected to be used with or for the consumption of nicotine, enforcement activities approved by the commissioner.

Eligible applicants may include, but not be limited to, a health care provider, schools, a college or university, a local public health department, a public health organization, a health care provider organization, association or society, or a professional education organization.

3. (a) There shall be established a tobacco use prevention and control advisory board to advise the commissioner on tobacco use prevention and control issues and vapor product use amongst persons less than twenty-one years of age, including methods to prevent and reduce tobacco use in the state.

Any person who violates the provisions of this subdivision shall be subject to a civil fine of not more than five hundred dollars.

2. (a) The provisions of subdivision one of this section shall not apply to a tobacco business, as defined in subdivision eight of section thirteen hundred ninety-nine-aa of this article.
