Monroe County is partnering with the Hilton Fire Department to open a Pop-up COVID-19 Vaccination Clinic Thursday

The Hilton Fire Department, 120 Old Hojack Lane, is hosting a pop-up COVID-19 vaccination clinic on Thursday, April 29, from 3 PM – 7 PM.

“I think it is telling that our firefighters, who have been on the frontlines since day one of the pandemic, are now stepping up to help keep us safe by offering easy access to vaccination. They are true heroes, and Monroe County is proud to support them in this endeavor by providing technical assistance, vaccine and personnel. I encourage you to head to the fire hall tomorrow and let them know how much you appreciate all they do for our community,” said Monroe County Executive Adam Bello.

Everyone 16 years of age or older is invited to participate in tomorrow’s vaccination clinic. Walk ins are welcome. For those who prefer to make an appointment, go to:
