RE: Memorializing the United States Congress to Pass the Disability Access to Transportation Act.

Honorable Legislators:

Transportation is vital to our daily lives. Without it, we are unable to perform key tasks essential to independent living. Grocery shopping, doctor's appointments, banking, even arriving to work on time, requires reliable and flexible transportation.

According to the Centers for Disease Control and Prevention, one in four American adults have a disability. Yet, proper, accessible transportation plans for people with disabilities have fallen to the wayside as transportation technology has continued to advance.

This bill, S.1813/H.R.1697, sponsored by Senator Robert Menendez and Representative James R. Langevin, calls for the creation of a one-stop paratransit pilot program. The pilot program would create new, and expand existing, paratransit programs to include one stop, of at least 15 minutes, on a multi-legged paratransit trip. This would allow individuals to complete essential tasks without long wait times between multiple trips. A variety of locations including childcare and educational facilities, pharmacies, grocery stores, and banks, would be available in the pilot program as stop locations.

Further, this legislation would streamline the process for individuals to submit accessibility complaints and create an accessibility data pilot program to identify current gaps in transportation planning and services. Additionally, the Disability Access to Transportation Act will require the Architectural and Transportation Barriers Compliance Board to finalize minimum standards for pedestrian facilities in the public right-of-way.

S.1813/H.R.1697: Disability Access to Transportation Act will offer increased access to reliable and flexible transportation for people with disabilities; providing more independence and peace of mind. We encourage the members of the Senate and the House of Representatives to pass this legislation. We also urge President Biden to follow suit and sign this into law.

Respectfully submitted,

Re: Memorializing the United States Congress to Extend Funding for the Affordable Connectivity Program

Honorable Legislators:

We rely on broadband internet for work, education, healthcare, and social and civic engagement. High-speed internet access is a necessity in our daily lives, but it's one that many of our neighbors cannot afford at market rates.

Unfortunately, \$14.2 billion Congress authorized for the Federal Communications Commission's Affordable Connectivity Program (ACP) in 2021 has run out. Starting in June 2024, households could no longer receive \$30 a month toward internet service, as well as one-time funds to purchase devices.

The end of ACP has a significant impact on Monroe County households. Federal data shows in February, the last month the program accepted new applications, Monroe County had 73,237 households enrolled in ACP, an outlay of \$2,224,210. Since January 2022, Monroe County residents have claimed nearly \$50 million under ACP. While more than one-third of the enrollments are in the City of Rochester's high-poverty Zip codes, the ACP was also heavily utilized in suburban and rural towns.

The data shows the ACP played a huge role in bridging the digital divide, ensuring adults and children have access to broadband internet. These funds also supported internet providers, allowing them to make further infrastructure investments.

High-speed internet is indispensable. It is imperative that Congress find a solution to extend funding for this vital program.

RE: Memorializing the United States Congress to Pass a Constitutional Amendment to reverse the U.S. Supreme Court's Decision in *Trump v. United States*

Honorable Legislators:

On July 1, 2024, the U.S. Supreme Court set a dangerous precedent in *Trump v. United States* by ruling —“*The nature of presidential power entitles a former president to absolute immunity from criminal prosecution for actions within his conclusive and preclusive constitutional authority; he is also entitled to at least presumptive immunity from prosecution for all his official acts; there is no immunity for unofficial acts.*”

Former President Donald Trump has been charged with a wide-array of criminal conduct from his nefarious actions before, during, and after his presidency. This has already resulted in the first ever criminal conviction of a former president. This egregious conduct includes, but is not limited to, falsifying business records, campaign finance, and tax laws to conceal his relationship with an adult film actress. Also, federal election interference resulting in his supporters violently storming the Capitol on January 6, 2021.

In the state of Georgia, former President Trump was charged with conspiring to deprive citizens of their right to vote, filing false documents, conspiracy to commit forgery, and RICO violations. He has also violated The Espionage Act by taking highly sensitive national security documents when he left the White House, including 102 marked classified.

No president is above the law. However, the U.S. Supreme Court's extreme conservative majority has trampled on the Constitution and set the stage for a dictatorship in America. As the ranking Minority Member of the Committee on House Administration, Congressman Joe Morelle (D-NY) will introduce a constitutional amendment to reverse this deeply flawed decision.

We encourage Congress to pass this Constitutional Amendment by a two-thirds majority vote in the House and Senate, and allow the rule of law to remain intact so future generations of Americans will not face the extreme consequences of tyranny.

Respectfully submitted,

RE: Memorializing the United States Congress to Pass the Pursuing Equity in Mental Health Act.

Honorable Legislators:

In recent years, data has shown disconcertingly steep inequalities in mental health services and access across the United States. A 2018 report in the Journal of the American Medical Association Pediatrics found that more than a third of elementary school-aged suicides involved Black children. Similarly, a 2019 report in the American Academy of Pediatrics' Journal, Pediatrics, not only found that self-reported suicide attempts rose in Black teenagers, as they fell amongst other groups, but that attempts increased by more than 70% between 1997 and 2017.

To combat these disturbing findings, the Pursuing Equity in Mental Health Act was introduced. In 2021, the act passed the House but didn't get a vote in the Senate. However, these disparities persist. So in 2023, Representative Bonnie Watson Coleman and Senator Robert Menendez, reintroduced the Pursuing Equity in Mental Health Act in the House and Senate.

This bill, S.1700/H.R.3548, would authorize \$995 million to fund a myriad of grants aimed at combatting disparities in mental health and mental health services found amongst various racial and ethnic groups. For example, this legislation would authorize the National Institute of Mental Health and the National Academies of Sciences, Engineering, and Medicine to conduct studies purposefully aimed at filling research gaps related to mental health equity. Further, this bill would provide funding for the development of new outreach and education strategies, as well as the promotion of best practices to address mental health disparities for health care professionals.

S.1700/H.R.3548: Pursuing Equity in Mental Health Act is a vital piece of legislation and supported by more than 45 national and international mental health organizations. We encourage the members of the Senate and the House of Representatives to pass this legislation. We also urge President Biden to follow suit and sign this into law.

Subject: Memorializing the New York State Legislature to Enact A.02928A, "An Act to Amend the Education Law, In Relation to Requiring All Public and Private Schools to Provide Financial Literacy Education to Certain Pupils"

Honorable Legislators:

Throughout the United States, American citizens are increasingly burdened with economic hardships, debt, and struggles with wealth management due to recent notable price increases caused by record inflation. In the past year alone, all items on the Consumer Price Index have risen by an average of 3.3%, compounding already inflated prices due to the pandemic and irresponsible government spending. Over the past decade, the Consumer Price Index has increased by a cumulative 32%, negatively impacting all generations, particularly younger Millennials and Generation Z. These Americans, often new to the workforce and frequently carrying student debt, are struggling with the current economic climate due to unemployment, lower salaries, and a rapidly increasing cost of living, forcing them to rely on loans and credit cards with high interest rates to survive.

By requiring high school students to take a financial literacy course during their tenure, our younger generations will be better equipped to face the uncertainty and economic challenges of today's world. Studies have shown that students who receive financial education are more likely to save, budget, and make informed financial decisions. According to a report by the FINRA Investor Education Foundation, individuals with higher financial literacy are more likely to plan for retirement and manage their credit responsibly.

Over the past few years, the number of states requiring a financial literacy course has increased to 25. For many years, New York State has prided itself on its quality of education. However, New York State does not require any courses in personal finance or financial literacy for high school students to graduate. Our school system is designed to better prepare our children for life in the 'real-world'. By not requiring these courses, we set our children up for financial failure in the future. In an op-ed from February 5, 2024, by New York State Education Commissioner Betty A. Rosa and Comptroller Thomas P. DiNapoli, when New Yorkers were asked what students should know after high school, the most common answer was financial literacy. Evidence of the successes of financial literacy courses is shown in Utah's 2008 graduating

later in 2018, was reviewed by the state auditor. According to the auditor, the course was found to have better prepared students by providing them with these extremely valuable life skills.

In this era of uncertainty, it is more important now than ever to boost financial literacy in our children and younger generations. State Assemblyman Josh Jensen has sponsored A.02928A to provide 11th-grade students with a comprehensive financial literacy program to curb poorly made financial decisions and help them navigate the current economic state of the world. This bill requires schools to either incorporate financial literacy into an existing course with an appropriate amount of time to cover all topics or to establish a new course developed by the schools' Board of Education. Assemblyman Jensen's bill mandates that the courses cover a wide range of topics, including taxes, student loans, mortgages, banking, investing, credit, and insurance. By doing this, we can help uplift more people out of poverty and improve the financial health of all.

Therefore, we, members of the Recreation and Education, Planning and Economic Development, and Ways and Means Committees, urge you to join us in calling upon the New York State Legislature to pass A.02928A and enact this much-needed change in our schools' instruction to better prepare our youth for generations to come.

Subject: Memorializing the New York State Legislature to Pass and Governor Kathy Hochul to Sign Bill S2525, "Establishing Additional Criminal Offenses for Crimes Against Elderly and Disabled Persons"

Honorable Legislators:

Elder abuse and disability abuse are disturbingly prevalent societal issues, often shrouded in silence. Due to their increased need for care and potential vulnerability, the elderly and disabled are at a heightened risk of exploitation. Typical forms of abuse against these groups include physical abuse, emotional abuse, neglect, sexual abuse, and financial abuse. Approximately 10% of adults over 60 experience abuse in one of these forms. About 1 in 8 adults across the country have a disability. Disabled persons have a victimization rate for serious violent crime of 16 per 1,000 persons, compared to the rate for able-bodied persons, which is 5 per 1,000.

Elder abuse and disability abuse often go hand-in-hand because they both involve a reprehensible act: exploiting someone more vulnerable. Taking advantage of society's most vulnerable is already heavily penalized in the case of offenses against children. Crimes against the elderly and disabled should be met with similar serious consequences to deter predators and protect our most at-risk communities.

Monroe County's elderly population comprises about 25% of the population. Recently, AARP declared the County an Age-Friendly Community, recognizing its commitment to supporting the elderly. With a significant elderly and disabled population, Monroe County has a responsibility to ensure their safety. Additionally, Monroe County has a large and diverse Deaf population, due in part to Rochester's long history of supporting the Deaf community, with the establishment of the Rochester School for the Deaf in 1876. Monroe County already prioritizes the well-being of the elderly with the established PRIDE (Protecting the Rights of Individuals with Disabilities and the Elderly) program, a resource to help fight elder abuse.

Violence and crimes against the elderly and disabled display the worst of humanity by taking advantage of the indisposed. The passing of bill S2525 by the New York State Senate and Assembly, followed by Governor Kathy Hochul signing the bill into law, is imperative to protect our elderly and

disabled populations. This bill will establish additional criminal offenses specifically targeting crimes against these vulnerable groups, ensuring that perpetrators face appropriate consequences.

This legislation would not only protect our vulnerable populations but also solidify Monroe County's reputation as a welcoming and supportive community. Strengthening legal protections for the elderly and disabled will deter future offenses and provide a safer environment for all.

Therefore, we, members of the Public Safety Committee, urge you to join us in calling upon Governor Kathy Hochul to sign bill S2525 into law. This critical legislation will better protect our elderly and disabled citizens and demonstrate our commitment to justice and compassion.

Subject: Memorializing the New York State Legislature and Governor Kathy Hochul to Pass and Sign Bill A2933/S2290, Entitled “Provides for Initiative and Referendum in New York State for the People as Electors to Propose or Reject Laws and Submit Amendments to the State Constitution”

Honorable Legislators:

At the beginning of the 2023-24 term, Assemblyman Josh Jensen and Senator Pam Helming introduced companion bills entitled “Provides for initiative and referendum in New York State for the people as electors to propose or reject laws and submit amendments to the state constitution.” These bills aim to empower the citizens of New York to initiate ballot referendums, giving them a direct voice in the governance of our state.

Currently, twenty-four states have citizen initiative processes, and twenty-three have popular referendum processes, some of which are over a century old. This widespread adoption across the United States underscores the importance and effectiveness of such democratic tools. Unfortunately, the Democratic majorities in both houses of the New York State Legislature have blocked this crucial legislation in their respective Judiciary Committees. This action highlights precisely why this legislation is needed. Numerous polls have shown that a majority of people support the power of citizen-initiated referendums, and it is high time New York joins in allowing this practice.

This bill represents significant steps toward enhancing the democratic process, allowing for greater public participation in governance, and ensuring that citizens' voices are heard. The proposed legislation outlines a clear process for both the initiative and referendum measures. This ensures transparency, accountability, and ease of understanding for the electorate. It includes necessary safeguards and procedures to ensure the integrity and validity of the initiative and referendum processes, such as the requirement for a substantial number of voter signatures and stringent guidelines for petition submission and review.

Furthermore, the initiative and referendum powers would extend to cities, towns, villages, and counties, thus allowing for local decision-making and greater autonomy in addressing community-specific issues. Monroe County, for instance, could greatly benefit from adopting this process, empowering local residents to directly influence policy decisions and community improvements.

Historical examples from other states illustrate the positive impact of such legislation. For instance, California's Proposition 13, which limits property tax rates, and Colorado's Taxpayer Bill of Rights, which restricts government spending and taxation, have demonstrated the power of citizen-initiated measures to shape state policies significantly.

Therefore, I urge you to join me in calling on the New York State Legislature and Governor Hochul to pass and sign the bill entitled "Provides for initiative and referendum in New York State for the people as electors to propose or reject laws and submit amendments to the state constitution" when it comes up again next term. This will be a clear demonstration of our commitment to advancing democratic principles and citizen participation in government. Let us ensure that the voices of New Yorkers are not only heard but also have a tangible impact on the future of our state.

Subject: Amending the 2024 Salary Schedule for Flat and Hourly Employees

Honorable Legislators:

Pay equity is an important issue that many of the members of this Honorable Body have spent a significant amount of time working towards. At the root of the issue is to ensure adequate and fair compensation tied to work experience, length of tenure, educational background, job performance, and other relevant factors.

Adequate and fair compensation are also essential components to staff retention. The Legislature has seen significant turnover over the last few years, including changes in the Chief of Staff in both Caucus offices and significant numbers of departures from other staff positions. The reasons cited by departing staff all-too-often include better pay opportunities and greater opportunities for career advancement. In addition, Monroe County is one of the few counties in New York where Majority Staff pay scales are higher than Minority Staff. In fact, in two other peer counties, Albany and Erie Counties, the Minority Chief of Staff receives higher pay than the Majority Chief of Staff according to their 2024 budgets. The difference is in part due to differences in professional experience and tenure. Pay equity is difficult to achieve, even when warranted by an individual’s knowledge and experience, this would be difficult to do in Monroe County without structural changes such as this.

The proposed resolution remedies the pay scale disparities between the Democratic and Republican Legislative offices, raises pay for some titles to meet recruitment needs, and adjusts pay for equivalent level titles.

The specific legislative action(s) required are:

1. Adopt the Amendments to Flat and Hourly Pay Rates in Attachment A

This legislative action requested in the referral is not an “Action,” as that term is defined in 6 NYCRR § 617.2 (b), and is not subject to review under the State Environmental Quality Review Act. This amendment will have no impact on the revenues or expenditures of the current Monroe County budget.

Rochester, New York 14614

Subject: Authorize a Contract with Ultramobile Imaging, Inc. to Provide Radiology Services at Monroe Community Hospital and the Monroe County Department of Public Health

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Ultramobile Imaging, Inc. in an amount not to exceed \$160,000 to provide radiology services for residents at Monroe Community Hospital ("MCH") and patients of the Monroe County Department of Public Health ("DPH") Tuberculosis ("TB") Control Program for the period of October 1, 2024 through September 30, 2025, with the option to renew for two (2) additional one-year terms in an amount not to exceed \$160,000 per year.

The residents of MCH benefit from on-site exams and procedures, rather than transferring out of the building to another service provider. Radiology services to be provided to MCH include routine x-ray examinations, ultrasounds, vascular imaging, carotid imaging, and echocardiography. Most exams are scheduled approximately 24 hours in advance; however, there is a requirement for STAT procedures 24-hours/day, 7-days/week. The vendor will provide and use state-of-the-art equipment, transport that equipment to and from MCH, and set up and dismantle that equipment for on-site services.

Additionally, patients of DPH's TB clinic benefit from the provision of on-site radiology. DPH's TB Control Program provides radiological services to diagnose and monitor the effectiveness of treatment for individuals who have TB infection. Radiology services provided to TB clinic patients including routine chest x-ray examinations, as well as x-rays of other body parts as clinically indicated.

A Request for Proposals was issued for this contract and Ultramobile Imaging, Inc. was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Ultramobile Imaging, Inc., 1465 Jefferson Road, Suite 100, Rochester, New York 14623, to provide radiology services for residents of Monroe Community Hospital and patients of the Monroe County Department of Public Health Tuberculosis Control Program in an amount not to exceed \$160,000 for the period of October 1, 2024 through September 30, 2025, with the option to renew for two (2) additional one-year terms in an amount not to exceed \$160,000 per year.

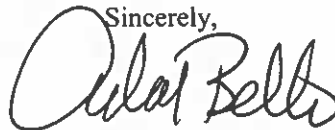

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2024 operating budgets of Monroe Community Hospital, hospital fund 9012, funds center 6204010000, Radiology/Diagnostic and the Department of Public Health, general fund 9001, funds center 5802020000, Tuberculosis Control Program, and will be requested in future years’ budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Ultramobile Imaging, Inc., nor its principal officer, Will Irwin, owe any delinquent Monroe County Property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in black ink that reads "Adam J. Bello". The signature is written in a cursive, flowing style.

Subject: Authorize a Contract with Health System Services, Ltd. to Provide Medicare Part B Products and Supplies for Residents of Monroe Community Hospital

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Health System Services, Ltd. to provide Medicare Part B products and supplies for residents of Monroe Community Hospital ("MCH") with Monroe County's cost not to exceed \$30,000 for the period of September 1, 2024 through August 31, 2025, with the option to renew for two (2) additional one-year terms at the same rate.

To ensure appropriate care of its residents, it is necessary that MCH contract with a vendor that is able to supply Medicare Part B enteral feeding, urological, ostomy, wound care, and products, among others, per Medicare guidelines. The vendor must evaluate patients' qualification for insurance, pack products, maintain inventory, and deliver supplies in accordance with regulatory requirements, resident needs, and professional standards of practice. The vendor bills Medicare directly; Monroe County is only obligated to reimburse the vendor for the instances when costs are not covered by insurance.

A Request for Proposals was issued for this contract and Health System Services, Ltd. was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Health System Services, Ltd., 6867 Williams Road, Niagara Falls, New York 14304, to provide Medicare Part B products and supplies for residents of Monroe Community Hospital with Monroe County's cost not to exceed \$30,000 for the period of September 1, 2024 through August 31, 2025, with the option to renew for two (2) additional one-year terms at the same rate.

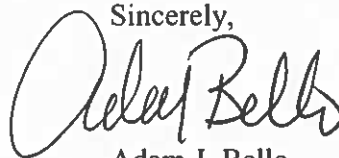

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2024 operating budget of Monroe Community Hospital, hospital fund 9012, funds center 6202090000, Central Services, and will be requested in future years’ budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Health System Services, Ltd., nor its principal officer, Robert A. Minicucci, Sr., owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Not to be removed from the Office of the Legislature Of Monroe County
Committee Assignment
ENV. & PUB. WORKS-L
WAYS & MEANS

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend Resolution 155 of 2018 to Expand the Eligible Priority Geographic Area and Extend the Time Period of the Grant from the New York State Environmental Facilities Corporation for the State Septic System Replacement Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 155 of 2018 to expand the eligible priority geographic area and extend the time period of the grant from the New York State Environmental Facilities Corporation for the State Septic System Replacement Program through March 31, 2027.

The purpose of this grant is to provide Monroe County property owners with reimbursement of up to fifty percent (50%) of eligible costs, up to a maximum of \$10,000, incurred for eligible septic system replacement projects. In order to be eligible, the septic system is required to be in need of replacement or upgrade, and must be located within 250 feet of a water body designated in the eligible priority geographic area by the New York State Environmental Facilities Corporation. This grant helps to provide the means to fix systems located near sensitive water bodies, thereby helping enhance water quality in Monroe County. Funds will be used to reimburse eligible property owners. The property owners will not receive the grant until after they have met eligibility requirements and the work is completed.

The New York State Environmental Facilities Corporation has begun Round 4 of the State Septic System Replacement Program. This both extends the time period of the grant through March 31, 2027 and expands the eligible priority geographic area to include Rochester Embayment West (0301-0068), Lake Ontario Shoreline Western (0301-0069), Lake Ontario Shoreline Western (0301-0070), Irondequoit Bay (0302-0001), Rochester Embayment East (0302-0002), Mill Creek and tributaries (0302-0025), Shipbuilders Creek and tributaries (0302-0026), Hundred Acre Pond (0302-0034), minor tributaries to Irondequoit Bay (0302-0038), and Lake Ontario Shoreline Central (0302-0045).

The specific legislative actions required are:

1. Amend Resolution 155 of 2018 to expand the eligible priority geographic area and extend the time period of the grant from the New York State Environmental Facilities Corporation for the State Septic System Replacement Program through March 31, 2027.

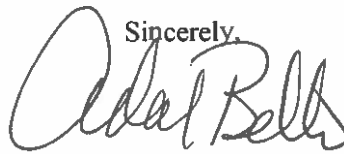

2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Environmental Facilities Corporation. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

HUMAN SERVICES -L
WAYS & MEANS

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of a Grant from Health Research, Inc. for the Public Health Emergency Preparedness Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from Health Research, Inc. in the amount of \$1,299,494 for the Public Health Emergency Preparedness Program for the period of July 1, 2024 through June 30, 2025.

The purpose of this grant is to assist local health departments to develop emergency-ready public health departments in accordance with the National Preparedness Goals and the Centers for Disease Control and Prevention Preparedness Goals. Program objectives are: continued post COVID-19 planning updates, enhanced public health emergency preparedness including training, planning, equipment acquisition, and response readiness; enhanced point of dispensing clinic readiness to include bioterrorism response (e.g. anthrax); expansion of a volunteer medical reserve corps; enhanced communicable disease planning (e.g. COVID-19, pandemic influenza); and enhanced disease surveillance. An additional \$1,000,000 in restricted New York State Department of Health emergency placeholder funding is included in the grant. This funding could be made available in the event an actual public health emergency occurs during the grant period. This will be the twenty-third year the County has received this grant. If the \$1,000,000 in restricted New York State Department of Health emergency placeholder funding is received, this year's funding represents the same amount as last year's.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$299,494 grant from, and to execute a contract and any amendments thereto with, Health Research, Inc. for the Public Health Emergency Preparedness Program for the period of July 1, 2024 through June 30, 2025.
2. Amend the 2024 operating budget of the Department of Public Health by appropriating the sum of \$299,494 into general fund 9300, funds center 5801090000, Public Health Preparedness.
3. Authorize the County Executive, or his designee, to appropriate up to \$1,000,000 in additional restricted New York State Department of Health emergency placeholder funding upon approval by New York State.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

110 County Office Building • 39 West Main Street • Rochester, New York 14614

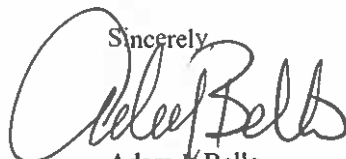

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by Health Research, Inc. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of a Grant from the New York State Department of Health and Authorize an Intermunicipal Agreement with the City of Rochester for the Lead Rental Registry Program

Honorable Legislators:

I recommend that Your Honorable Body accept a five-year grant from the New York State Department of Health in the amount of \$7,539,500 for the Lead Rental Registry Program for the period of April 1, 2024 through March 31, 2029 and authorize an intermunicipal agreement with the City of Rochester in an amount not to exceed \$1,254,257 for the period of April 1, 2024 through March 31, 2025, with the option to renew for four (4) additional one-year terms in an amount not to exceed \$1,254,257 annually.

The purpose of this grant is to administer the Lead Rental Registry Program to prevent lead exposure before children are harmed by ensuring lead safe rental units throughout communities of concern in New York State; to create a rental registry including lead safety inspection certificates; and to decrease the number of homes that require environmental intervention from local health departments due to children identified with elevated blood lead levels. In 2023, the New York State Legislature amended the NYS Public Health Law to include a requirement for owners of dwellings with two or more units, built prior to 1980, to register their rental units and certify units to be safe of lead hazards every three (3) years. The New York State Department of Health is currently promulgating a Lead Rental Registry Regulation under Public Health Law §1337.

The Monroe County Department of Public Health and the City of Rochester, through an intermunicipal agreement, will implement the regulation in an identified area of concern within the City of Rochester. Funds will be used to contract with the City of Rochester for day-to-day implementation of the Lead Rental Registry Program to include visual lead inspections, dust wipe sampling, data reporting, outreach, and enforcement procedures. In addition, funds will be used to provide salaries and benefits of existing staff as well as other costs to run the program. This will be the first year the County has received this grant.

The specific legislative actions required are:

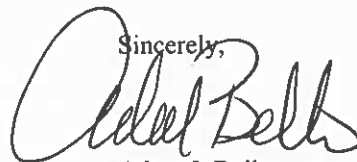

1. Authorize the County Executive, or his designee, to accept a \$7,539,500 grant from, and to execute a contract and any amendments thereto with, the New York State Department of Health for the Lead Rental Registry Program for the period of April 1, 2024 through March 31, 2029.
2. Amend the 2024 operating budget of the Department of Public Health by appropriating the sum of \$1,507,900 into general fund 9300, funds center 5806110000, Lead Programs.

3. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the City of Rochester for the Lead Rental Registry Program in an amount not to exceed \$1,254,257 for the period of April 1, 2024 through March 31, 2025, with the option to renew for four (4) additional one-year terms in an amount not to exceed \$1,254,257 annually.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Acceptance of a Grant from the Housing Trust Fund Corporation, a Subsidiary of the New York State Housing Finance Agency, for the Leading in Lead Prevention Pilot Program

Honorable Legislators:

I recommend that Your Honorable Body accept a two-year grant from the Housing Trust Fund Corporation, a subsidiary of the New York State Housing Finance Agency, in the amount of \$2,997,595 for the Leading in Lead Prevention Pilot Program ("LEAD") for the period of April 1, 2024 through March 31, 2026.

The purpose of this grant is to administer a local LEAD program to remediate lead hazards from rental units in an identified area of concern in Monroe County. This will increase lead-safe affordable housing by remediating approximately 75 pre-1980, multifamily rental housing units occupied by children or pregnant persons and with documented lead hazards. Units with children or pregnant persons with elevated blood lead levels will be prioritized. Eligible property owners will be provided up to \$40,000 per unit for lead abatement, as well as associated costs. Funds will be used to provide salaries and benefits of existing staff as well as other costs to run the program. This will be the first year the County has received this grant.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$2,997,595 grant from, and to execute a contract and any amendments thereto with, the Housing Trust Fund Corporation, a subsidiary of the New York State Housing Finance Agency, for the Leading in Lead Prevention Pilot Program for the period of April 1, 2024 through March 31, 2026.
2. Amend the 2024 operating budget of the Department of Public Health by appropriating the sum of \$2,997,595 into general fund 9300, funds center 5806110000, Lead Programs.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

Subject: Acceptance of a Grant from the New York State Department of Health and Authorize Intermunicipal Agreements for the Tobacco Enforcement Program

Honorable Legislators:

I recommend that Your Honorable Body accept a five-year grant from the New York State Department of Health in the amount of \$979,250 and authorize intermunicipal agreements with those listed below in a total amount not to exceed \$89,890 annually for the Tobacco Enforcement Program for the period of April 1, 2024 through March 31, 2029.

The purpose of this grant is to prevent the sale of tobacco and vapor products to individuals under the age of 21. This project involves the participation of the Monroe County Sheriff's Office, City of Rochester Police Department, and the Towns of Brighton, Gates, Greece, Irondequoit, Ogden, and Webster, and includes compliance investigation, public information, education, and enforcement components. This will be the twenty-ninth year the County has received this grant. This year's funding level represents an increase of \$37,058 from the previous twelve month period.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$979,250 grant from, and to execute a contract and any amendments thereto with, the New York State Department of Health for the Tobacco Enforcement Program for the period of April 1, 2024 through March 31, 2029.
2. Amend the 2024 operating budget of the Department of Public Health by appropriating the sum of \$195,850 into general fund 9300, funds center 5806010000, Environmental Health Administration.
3. Authorize the County Executive, or his designee, to execute intermunicipal agreements, and any amendments thereto, with the City of Rochester, the Towns of Brighton, Gates, Greece, Irondequoit, Ogden, and Webster, and other municipalities as necessary for the Tobacco Enforcement Program in a total amount not to exceed \$89,890 annually for the period of April 1, 2024 through March 31, 2029.

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of Additional Funding from the New York State Office of Children and Family Services and Amend Resolution 473 of 2023 Authorizing Contracts with Not-For-Profit Agencies for Rochester-Monroe County Youth Bureau Programs in 2024

Honorable Legislators:

I recommend that Your Honorable Body accept additional funding from the New York State Office of Children and Family Services in the amount of \$10,344 and amend Resolution 473 of 2023 authorizing contracts with the agencies listed in the updated Attachment A from a total amount not to exceed \$1,296,835 to a total amount not to exceed \$1,338,575 for the period of October 1, 2023 through September 30, 2024.

This additional funding will be used by the Department of Human Services, Rochester-Monroe County Youth Bureau, to provide one-time investments in infrastructure for physical activity. Examples include improvements to sports fields or courts, building a storage unit to maintain equipment, the purchase of sporting equipment or uniforms, or similar costs.

The agencies were selected through a competitive expression of interest process, based on the New York State required County Child and Family Services Plan in which services to be contracted must directly correspond to the assessed needs, priority focus areas, and outcomes of the plan; State Executive Law procedures and criteria for selecting programs; and State certification requirements for runaway and homeless shelter programs. Contracted servicers directly correspond to the assessed needs and service objectives of the Rochester-Monroe County Youth Bureau and as required and approved by the New York State Office of Children and Family Services.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept an additional \$10,344 from, and to execute a contract and any amendments thereto with, the New York State Office of Children and Family Services for Rochester-Monroe County Youth Bureau Programs in 2024 for the period of October 1, 2023 through September 30, 2024.
2. Amend the 2024 operating budget of the Department of Human Services, Monroe County Youth Bureau, by appropriating the sum of \$10,344 into general fund 9001, funds center 5606019300, Positive Youth Development.

3. Amend Resolution 473 of 2023 to authorize the County Executive, or his designee, to execute contracts, and any amendments thereto, with each approved agency as listed in the updated Attachment A for youth services from a total amount not to exceed \$1,296,835 to a total amount not to exceed \$1,338,575 for the period of October 1, 2023 through September 30, 2024.
4. Authorize the County Executive, or his designee, to execute any applications, contracts, and amendments thereto, with New York State and/or agencies listed in Attachment A to increase or decrease the contract amount and extend the length of the contract(s) in order to maximize state reimbursements for these purposes.
5. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

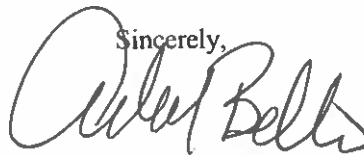

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by New York State Office of Children and Family Services. No additional net County support is required in the current Monroe County budget.

Each of these contractors has been reviewed for not-for-profit status and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize an Intermunicipal Agreement with Schuyler County for Special Detail Deputies at Watkins Glen International

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with Schuyler County for special detail deputies at Watkins Glen International for the period of July 1, 2024 through June 30, 2029.

Under this agreement, the Monroe County Sheriff's Office will provide special detail deputies to perform mutual aid police duties at Watkins Glen International upon a declaration of emergency by the Schuyler County Sheriff under Section 209-f of the New York General Municipal Law. Throughout the summer, Schuyler County reasonably anticipates crowds in excess of 20,000 people for large events at Watkins Glen International. Mutual aid is required given that the resources of the Schuyler County Sheriff's Office are unable to address crowds, traffic volume and consequences attributable to large-scale gatherings of that magnitude. The hourly payment rates vary from year to year based on contractual negotiations between Schuyler County and NASCAR. The 2024 hourly rate is currently \$38 hourly for deputies and \$40 hourly for supervisors and K9 units.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Schuyler County for special detail deputies at Watkins Glen International for the period of July 1, 2024 through June 30, 2029.

Monroe County Legislature

July 1, 2024

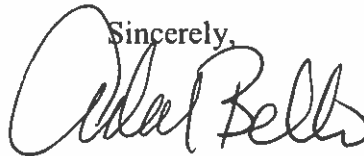

Page 2

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This agreement is revenue generating. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam Bello". The signature is written in a cursive style with a large initial "A".

Subject: Authorize an Intermunicipal Agreement with the Churchville-Chili Central School District for the Purchase of Fuel for Vehicles of the Monroe County Sheriff's Office

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Churchville-Chili Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for three (3) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price.

The Sheriff's Office has purchased gasoline from the Churchville-Chili Central School District in the past in an effort to reduce the time spent driving vehicles to fueling sites, thus increasing patrol coverage. This agreement is consistent with other fueling arrangements negotiated by the Sheriff's Office.

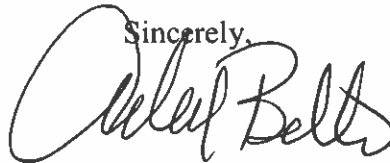

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Churchville-Chili Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for three (3) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement is included in the 2024 operating budget of the Sheriff’s Office, general fund 9001, funds center 3803040000, Sheriff Road Patrol C Zone, and will be requested in future years budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Subject: Authorize an Intermunicipal Agreement with the Fairport Central School District for the Purchase of Fuel for Vehicles of the Monroe County Sheriff's Office

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Fairport Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for three (3) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price in an amount not to exceed \$33,000 per year.

The Sheriff's Office has purchased gasoline from the Fairport Central School District in the past in an effort to reduce the time spent driving vehicles to fueling sites, thus increasing patrol coverage. This agreement would be consistent with other fueling agreements negotiated by the Sheriff's Office.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Fairport Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for three (3) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price in an amount not to exceed \$33,000 per year.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement is included in the 2024 operating budget of the Sheriff's Office, general fund 9001, funds center 3803020000, Road Patrol Zone A and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize an Intermunicipal Agreement with Penfield Central School District for the Purchase of Fuel for Vehicles of the Monroe County Sheriff's Office

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Penfield Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for two (2) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price.

The Sheriff's Office has purchased gasoline from the Penfield Central School District in the past in an effort to reduce the time spent driving vehicles to fueling sites, thus increasing patrol coverage. This agreement is consistent with other fueling arrangements negotiated by the Sheriff's Office. The initial term of this agreement will only run through June 30, 2025 thereafter with the option to renew for two (2) full one-year periods to align the start and end date of the contracts with the start and end date of the school year.

The specific legislative actions required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Penfield Central School District for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for two (2) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement is included in the 2024 operating budget of the Sheriff’s Office, general fund 9001, funds center 3803020000, Sheriff Road Patrol A Zone, and will be requested in future years budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in black ink that reads "Adam J. Bello". The signature is written in a cursive style with a large, looping initial "A".

Subject: Authorizing an Intermunicipal Agreement with the Town of Penfield for the Purchase of Fuel for Vehicles of the Monroe County Sheriff's Office

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Penfield for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for three (3) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price.

The Sheriff's Office has purchased gasoline from the Town of Penfield in the past in an effort to reduce the time spent driving vehicles to fueling sites, thus increasing patrol coverage. This agreement is consistent with other fueling arrangements negotiated by the Sheriff's Office.

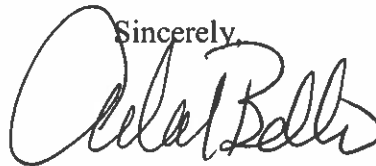

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Penfield for the purchase of fuel for vehicles of the Monroe County Sheriff's Office for the period of September 1, 2024 through August 31, 2025, with the option to renew for three (3) additional one-year periods at the rate of ten cents (\$.10) per gallon above the New York State contract price.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement is included in the 2024 operating budget of the Sheriff’s Office, general fund 9001, funds center 3803020000, Sheriff Road Patrol A Zone, and will be requested in future years budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Subject: Amend the 2024 Adopted Budget to Upgrade the Position of Deputy Sheriff Court Security Lieutenant from Group 77 to Group 78

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body amend the authorized positions for the Office of the Sheriff, as set forth on page 751 of the 2024 Adopted Budget to upgrade the position "Deputy Sheriff Court Security Lieutenant" from Group 77 to Group 78.

This amendment is required in order to remedy salary compression between Court Security Lieutenants, who rank higher than Court Security Sergeants, but make less than Sergeants.

The specific legislative action required is to amend the authorized positions for the Office of the Sheriff, as set forth on page 751 of the 2024 Adopted Budget to upgrade the position "Deputy Sheriff Court Security Lieutenant" from Group 77 to Group 78.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Law Enforcement Technology Program

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in an amount not to exceed \$11,705,000 for the Law Enforcement Technology ("LETECH") Program for the period of April 1, 2024 through March 31, 2025.

The purpose of Governor Hochul's LETECH program is to support technology for law enforcement agencies who are increasingly relying on emerging technologies to perform duties and enhance public safety. The Sheriff's Office anticipates applying this funding to upgrade their body-worn camera program, install dash cameras in some patrol vehicles, enhance a virtual reality-training program, deploy automated license plate readers and public safety cameras, develop their drone as a first responder program, as well as purchase computer hardware and related technology for the Regional Investigative Operations Center. The grant will pay the initial costs incurred by the Sheriff's Office to purchase technology. This will be the first year the County has received this grant.

The specific legislative actions required are:

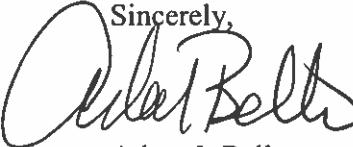

1. Authorize the County Executive, or his designee, to accept a grant in an amount not to exceed \$11,705,000, and to execute a contract and any amendments thereto, with the New York State Division of Criminal Justice Services for the Law Enforcement Technology Program for the period of April 1, 2024 through March 31, 2025.

2. Amend the 2024 operating budget of the Office of the Sheriff by appropriating the sum of \$11,705,000 into general fund 9300, funds center 3803010000, Police Bureau Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This is a Type II action pursuant to 6 NYCRR Section 617.5(c)(26) (“routine or continuing agency administration and management not including new programs and major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

The grant is 100% funded by New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Office of the County Executive

Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend Resolution 102 of 2023 to Increase the Grant Award from the New York State Department of Environmental Conservation for Climate Smart Communities for the Organics Management Plan and Amend Resolution 508 of 2021 to Increase the Contract with Barton & Loguidice, D.P.C. for General Solid Waste Consulting Term Services

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 102 of 2023 to increase the grant award from the New York State Department of Environmental Conservation ("NYSDEC") from the amount of \$50,000 to the amount of \$100,000 for Climate Smart Communities for the Organics Management Plan, and Amend Resolution 508 of 2021 to increase the contract with Barton & Loguidice, D.P.C. for general solid waste consulting term services from the amount of \$100,000 to the amount of \$200,000.

Per Resolution 102 of 2023, Monroe County accepted a grant from the NYSDEC in an initial amount of \$50,000 to develop an Organic Management Plan ("Plan"). The Plan will serve as an extension of the existing Monroe County local solid waste management plan as approved by the NYSDEC. The expected outcome of the Plan is to provide a set of waste management data, options, goals, and alternatives that can be used to develop an integrated plan for managing organic waste in Monroe County from various sources including residential, commercial, industrial, institutional, and agricultural.

The grant funds will also be used to increase public participation, fund greenhouse gas emissions calculations for various management alternatives, a waste characterization study and additional consultant services with Barton & Loguidice, D.P.C. under the general solid waste consulting term services contract for plan development and report preparation. Barton & Loguidice, D.P.C.'s contract for general solid waste consulting term services will be increased from \$100,000 to \$200,000.

The Monroe County Department of Environmental Services will lead the project funded by this grant and administer the grant requirements.

The specific legislative actions required are:

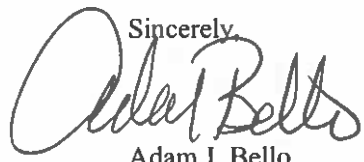

1. Amend Resolution 102 of 2023 to authorize the County Executive, or his designee, to accept a grant from the New York State Department of Environmental Conservation in the amount of \$100,000 for Climate Smart Communities for the Organics Management Plan.

2. Appropriate \$100,000 into solid waste fund 9309, funds center 8201010000 Solid Waste Administration for the Department of Environmental Services for the Organics Management Plan grant provided under the Climate Smart Communities program.
3. Appropriate \$100,000 into solid waste fund 9009, funds center 8201010000 Solid Waste Administration for the 2024 operating budget of the Department of Environmental Services. These funds were previously committed for Climate Change Initiatives to provide the local match for the Organics Management Plan grant provided under the Climate Smart Communities program.
4. Amend Resolution 508 of 2021 to increase the contract with Barton & Loguidice, D.P.C. for general solid waste consulting term services from the amount of \$100,000 to the amount of \$200,000 for the 2024 term.
5. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(21) (“conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action”) and is not subject to further review under the State Environmental Quality Review Act.

This grant requires \$100,000 in local match funding. The local match will require additional net County support, for which general fund committed fund balance is requested.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Adoption of the Monroe County Climate Action Plan Phase II

Honorable Legislators:

We recommend that Your Honorable Body adopt the Monroe County Climate Action Plan Phase II.

On March 10, 2020 Your Honorable Body authorized the creation of a Climate Action Plan Advisory Committee for the express purpose of creating a Climate Action Plan for Monroe County (“County”) (Resolution No. 76 of 2020). This was followed by further related actions taken by Your Honorable Body to: appoint members of the Committee (Resolution No. 167 of 2020); authorize the execution of a contract with Bergmann Associates, Architects, Engineers, Landscape Architects & Surveyors, D.P.C. for Professional Design Services for the Climate Action Plan (Resolution No. 425 of 2020); adopt the New York State Climate Smart Communities Resolution (Resolution No. 260 of 2020); and accept a grant from the New York State Department of Environmental Conservation under the Climate Smart Communities program to support the development of the Climate Action Plan (Resolution No. 111 of 2022). On September 13, 2022, Your Honorable Body adopted the Climate Action Plan Phase I (Resolution No. 276 of 2022), that demonstrated the County’s leadership in climate action by committing to reduce greenhouse gas emissions from County operations.

The Climate Action Plan Phase II focuses on community-wide climate action. Using the same baseline year of 2019 as Phase I, the greenhouse gas emissions for the entire county were calculated from all sources to be approximately 8.2 million metric tons of carbon dioxide equivalent. As the Climate Action Plan is comprised of both Phase I and Phase II, the plan presents a consistent goal for reduction of greenhouse gas emissions by 80 percent by 2050. Through an extensive public engagement process, the County received comments from community stakeholders about their desires and priorities for action in six focus areas, namely: Energy Use & Consumption; Buildings & Housing; Transportation; Sustainable Materials Management; Land & Water Resources; and Partnerships, Education & Economy.

The specific legislative action required is to adopt the Monroe County Climate Action Plan Phase II.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(27) (“conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of the proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action”) and is not subject to further review under the State Environmental Quality Review Act.

Adoption of the Monroe County Climate Action Plan Phase II will have no impact on the revenues or expenditures of the current Monroe County Budget.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the District Attorney's Office, the Office of the Sheriff, and the Department of Public Safety, Office of Probation and Community Corrections, for the Gun Involved Violence Elimination Partnership

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of District Attorney Sandra Doorley and Sheriff Todd K. Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$2,912,458 for the District Attorney's Office, the Office of the Sheriff, and the Department of Public Safety, Office of Probation and Community Corrections for the Gun Involved Violence Elimination ("GIVE") Partnership for the period of July 1, 2024 through June 30, 2025.

This project provides resources enabling the Monroe County law enforcement community to target violent criminals and those possessing weapons in a coordinated effort to reduce violent crime in Monroe County. The primary goals of this partnership are to support targeted firearm and violent crime reduction efforts within Monroe County and to increase the solvability of non-fatal bullet-to-body shooting cases in the City of Rochester by working in tandem with the Rochester Police Department from the onset of each investigation. This is the eleventh year the County has received this grant. This year's funding represents a decrease of \$509 from last year.

Funds will be used specifically to help support the following programs in the following departments:

- **District Attorney's Office:** Supports eight (8) existing Assistant District Attorney positions (50%) assigned to prosecute violent felons and criminals possessing illegal weapons; four (4) existing Assistant District Attorney positions (1 at 90%, 3 at 100%), two (2) District Attorney Investigator positions (100%), and one (1) Victim Witness Advocate (100%) to comprehensively investigate and prosecute non-fatal bullet-to-body shootings; and provides the Boys and Girls Clubs of Rochester, Inc. with an \$8,000 sub-grant to continue its Street SMART Program.
- **Sheriff's Office:** Supports an existing Sheriff's Criminal Investigator (50%), Road Patrol Deputy and a Jail Deputy (100%), and underwrites part of the overtime costs of the Office of the Sheriff's participation in joint anti-crime efforts and community engagement details with the other GIVE agency partners.
- **Office of Probation and Community Corrections:** Supports the cost of an existing Assistant Chief Probation Officer (85%), a Probation Supervisor, two Senior Probation Officers and two Probation Officers. Additionally, it supports Cognitive Behavioral Interventions designed for high risk offenders, enhanced electronic monitoring capability, and underwrites the overtime costs of the Office of Probation and Community Correction's participation in joint anti-crime efforts with the other GIVE agency partners.

110 County Office Building • 39 West Main Street • Rochester, New York 14614

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

The funding amounts are as follows: \$1,458,188 for the District Attorney's Office, \$499,270 for the Office of the Sheriff, and \$955,000 for the Department of Public Safety, Office of Probation and Community Corrections.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$2,912,458 grant from, and to execute contracts and any amendments thereto with the New York State Division of Criminal Justice Services for the Gun Involved Violence Elimination Partnership for the District Attorney's Office, the Office of the Sheriff, and the Department of Public Safety, Office of Probation and Community Corrections for the period of July 1, 2024 through June 30, 2025.
2. Amend the 2024 operating budget of the District Attorney's Office by appropriating the sum of \$714,033 into general fund 9300, funds center 2508010000, Major Felony Bureau.
3. Amend the 2024 operating budget of the Office of the Sheriff by appropriating the sum of \$252,440 into general fund 9300, funds center 3803010000, Police Bureau Administration.
4. Amend the 2024 operating budget of the Department of Public Safety, Office of Probation and Community Corrections by appropriating the sum of \$473,751 into general fund 9300, funds center 2403050000, Special Services Intensive Supervision.
5. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

This is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Partial funding for this grant is included in the 2024 operating budget of the District Attorney's Office, general fund 9300, funds center 2508010000, Major Felony Bureau, Office of the Sheriff, general fund 9300, funds center 3803010000, Police Bureau Administration, and the Department of Public Safety, Office of Probation and Community Corrections, general fund 9300, funds center 2403050000, Special Services Intensive Supervision. The appropriated amount will adjust the current funding to that established by the grant.

This grant is 100% funded by New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

The Boys and Girls Clubs of Rochester, Inc. is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Appropriate Fund Balance and Authorize Interfund Transfers

Honorable Legislators:

I recommend that Your Honorable Body appropriate assigned fund balance for authorized capital project expenditures and the local share of Medicaid Upper Payment Limit funding, in the aggregate amount of \$20,571,065, and authorize interfund transfers to various capital funds and Monroe Community Hospital.

Your Honorable Body has previously authorized bond financing for certain capital projects for which Local Financial Law establishes a period of probable usefulness of five years. For the past year and a half, however, the County has refrained from issuing bonds on these projects because (a) shorter duration borrowing has been more expensive than longer duration borrowing, and (b) the robust capital improvement program currently under consideration requires a more thoughtful and strategic approach to future debt service planning. Cash funding these five-year projects now would avoid bond issuance costs and the associated interest expense, and reduce upcoming budgetary pressures resulting from higher debt service requirements.

At the same time, the state and federal governments have yet to finalize an agreement for Medicaid Upper Payment Limit funding related to state fiscal year 2023-24. Based on recent agreements, it is estimated the Upper Payment Limit funding will be \$19.8 million. Once approved, this intergovernmental transfer program will require the County to pay to the state a 50% local share requirement before the state remits 100% of the Upper Payment Limit award to Monroe Community Hospital. The currently adopted budget, however, does not include sufficient appropriations for the County to remit two state fiscal years' (SFY 2023-24 and SFY 2024-25) worth of Medicaid Upper Payment Limit local share.

Both of the aforementioned issues can be addressed by the appropriation of assigned fund balance. The audited financial statements for fiscal year 2023 report available fund balance in excess of the fund balance policy upper limit by \$25.79 million, and the appropriations requested herewith are consistent with the policy guidance for excess fund balance of capital project funding and/or debt reduction, or for any other lawful purpose approved by the Legislature.

The specific legislative actions required are:

1. Amend the 2024 operating budget of the following departments by appropriating general fund assigned fund balance in the aggregate amount of \$20,571,065 into:
 - a. Department of Planning and Economic Development, general fund 9001, funds center 1401010000, Planning Services, in the amount of \$1,000,000;
 - b. Department of Public Safety, general fund 9001, funds center 2401010000, Director's Office, in the amount of \$1,210,000;
 - c. Office of the Sheriff, general fund 9001, funds center 3801010000, Sheriff Administration; in the amount of \$2,150,000;
 - d. Department of Public Health, general fund 9001, funds center 5804010000, Medical Examiner, in the amount of \$1,290,000;
 - e. Department of Parks, general fund 9001, funds center 8801010000, Parks Administration, in the amount of \$138,000;
 - f. Department of Transportation, road fund 9002, funds center 8001010000, DOT Administration, in the amount of \$4,667,065, and authorize an interfund transfer from general fund 9001 to road fund 9002;
 - g. Monroe County Library System, library fund 9006, funds center 8904010000, MCLS Programs, in the amount of \$216,000, and authorize an interfund transfer from general fund 9001 to library fund 9006;
 - h. Monroe Community Hospital, hospital fund 9012, funds center 6201010000, MCH Administration, in the amount of \$9,900,000, and authorize an interfund transfer from general fund 9001 to hospital fund 9012.

2. Authorize interfund transfers in the aggregate amount of \$5,788,000 from general fund 9001 to:
 - a. Capital fund 1947, Forensic Instrumentation Upgrade, in the amount of \$400,000;
 - b. Capital fund 1990, Sheriff's Office Firearms Replacement, in the amount of \$250,000;
 - c. Capital fund 1991, Forensic Instrumentation Upgrade, in the amount of \$560,000;
 - d. Capital fund 1993, Emergency Operations Center Improvements, in the amount of \$250,000;
 - e. Capital fund 2036, Electronic Health Record, in the amount of \$980,000;
 - f. Capital fund 2037, Sheriff's Incident Command Post Vehicle, in the amount of \$850,000;
 - g. Capital fund 2047, Multimodal Freight Initiative Planning, in the amount of \$1,000,000;
 - h. Capital fund 2050, Sheriff's Body Warn Camera & Taser Project, in the amount of \$800,000;
 - i. Capital fund 2090, Toxicology Lab Equipment, in the amount of \$310,000;
 - j. Capital fund 2096, Sheriff's Office CBRNE Total Containment Vessel Replacement, in the amount of \$250,000;
 - k. Capital fund 2103, Golf Light Equipment, in the amount of \$138,000.

3. Authorize interfund transfers in the aggregate amount of \$4,667,065 from road fund 9002 to:
 - a. Capital fund 1863, Ridgeway Avenue Safety Improvements, in the amount of \$38,065;
 - b. Capital fund 1992, Highway Lighting Rehabilitation-Central, in the amount of \$4,250,000;
 - c. Capital fund 2031, Equipment/Vehicles Traffic Engineering-Light, in the amount of \$379,000.

4. Authorize an interfund transfer from library fund 9006 to capital fund 2035, MCLS Fleet Replacement, in the amount of \$216,000.

These legislative actions are Type II actions pursuant to 6 NYCRR §617.5(c)(26) (“routine or continuing agency administration and management”) and are not subject to further review under the State Environmental Quality Review Act.

These budget amendments and interfund transfers will require \$20,571,065 of additional net County support for which the appropriation of assigned fund balance is requested.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Office of Children and Family Services for the New York State Child Care Block Grant Pandemic Funds

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Office of Children and Family Services in the amount of \$10,752,881 for the New York State Child Care Block Grant Pandemic Funds for the period of October 1, 2023 through September 30, 2024.

The New York State Office of Children and Family Services reimburses Monroe County 100% for child care assistance program services related to low income child care up to our child care block grant allocation. Currently families that earn up to 85% State Median Income (SMI) are eligible for child care assistance. As a result of the pandemic, New York State allocated \$203,000,000 in pandemic funds to child care, with Monroe County receiving \$10,752,881 in an additional allocation in this federal fiscal year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$10,752,881 grant from the New York State Office of Children and Family Services for the New York State Child Care Block Grant Pandemic Funds for the period October 1, 2023 through September 30, 2024.
2. Amend the 2024 operating budget of the Department of Human Services, Division of Social Services by appropriating the sum of \$10,752,881 into general fund 9001, funds center 5113020000, Day Care – Low Income.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant of 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act

This grant is 100% funded by the New York State Office of Children and Family Services. No net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Subject: Authorize an Intermunicipal Agreement with the City of Rochester to Provide Tracking, Oversight and Evaluation Services Regarding the RASE Commission's Recommendations

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester ("City") in an amount not to exceed \$50,000, together with in-kind contributions, to provide tracking, oversight, and evaluation services regarding the recommendations made by the Commission on Racial and Structural Equity (the "RASE Commission"), for the period of July 1, 2024 to June 30, 2025, with the option to renew for up to four (4) additional one (1) year renewals in an amount not to exceed \$50,000 per year.

Through Resolution 131 of 2022, Your Honorable Body approved funding to monitor and evaluate the implementation of the RASE Commission recommendations. This honorable body amended the IMA with the City through Resolution 370 of 2022, to provide \$50,000 in funding to support the City and County's ongoing efforts, as well as to support the successor organization, the Urban League of Rochester, N.Y., Inc. (the "Urban League"), which will serve as the point-of-contact and community convener of conversations about RASE Commission updates, organize committees to implement the RASE Commission recommendations, and engage in community outreach.

Through its contract with the City of Rochester, the Urban League will be responsible for: (1) reviewing, collecting, and updating data; (2) organizing and supporting Community Advancing Recommendations Teams (CARTs) led by community led by community leaders and comprised of stakeholders to support the work of the RASE Commission; (3) preparing an annual report on RASE Commission progress; and (4) engaging the community through outreach including but not limited to leading a public RASE recommendation implementation update, engaging community leaders, stakeholders, and influences to take an active role in bringing recommendations to fruition, and working with community partners on implementation of recommendations.

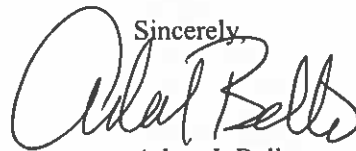

The specific legislative actions required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the City of Rochester for tracking, oversight, and evaluation services regarding the RASE Commission's Recommendations in an amount not to exceed \$50,000, together with in-kind contributions, for the period of July 1, 2024 to June 30, 2025, with the option to renew for up to four (4) additional one (1) year renewals in an amount not to exceed \$50,000 per year.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this intermunicipal agreement is included in the 2024 operating budget of the Office of Diversity, Equity and Inclusion, general fund 9001, funds center 2201010000, Diversity, Equity and Inclusion and will be requested in future years’ budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam Bello". The signature is fluid and cursive, with the first name "Adam" being larger and more prominent than the last name "Bello".
