## **County Clerk Jamie Romeo Announces Re-Opening of Greece DMV**

**(Rochester NY)** – The Greece DMV will re-open its’ doors to the general public on **Tuesday, February 27<sup>th</sup> at 8:30 A.M.** after the completion of a multi-week Cashier Station Modernization Project, which included the installation of two new wheelchair accessible stations.

“Access to critical government resources like the DMV is the right of every American, and with the completion of the Cashier Station Modernization Project, the Greece DMV has now fully re-opened and is accessible to all residents of Monroe County,” explained Monroe County Clerk Jamie Romeo.

The Greece DMV construction project comes after the Henrietta DMV was moved to a new and improved location on Jefferson Rd in 2022.

County Clerk Romeo emphasized that “My office has made updating and modernizing Monroe County DMV locations a priority over the last four years, and we will continue to identify new investments that make it easier to access State DMV services.”
