Subject: Amend Resolution 352 of 2021, as Amended by Resolution 219 of 2022, to Extend the Time Period for Support of the Monroe County Nurse Family Partnership Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 352 of 2021, as amended by Resolution 219 of 2022, to extend the time period of a grant from the New York State Department of Health to support the Monroe County Nurse-Family Partnership Program ("NFP") through September 30 2024.

By Resolution 352 of 2021, Your Honorable Body authorized the acceptance of two grants from the New York State Department of Health for the Monroe County Nurse Family Partnership Program. The Monroe County Department of Public Health has requested and been granted additional time from the New York State Department of Health to spend the funds of the second grant that was awarded in an amount not to exceed \$281,134 to continue to support the program and to cover anticipated health record data integration expenses.

The specific legislative actions required are:

1. Amend Resolution 352 of 2021, as Amended by Resolution 219 of 2022, to extend the time period of a grant from the New York State Department of Health to support the Monroe County Nurse-Family Partnership Program through September 30 2024.
2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Monroe County Legislature

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Paul Coverdell Forensic Science Improvement Program (Office of the Medical Examiner's Forensic Toxicology Laboratory)

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services in the amount of \$57,433 for the Paul Coverdell Forensic Science Improvement Program (Office of the Medical Examiner's Forensic Toxicology Laboratory) for the period of October 1, 2023 through December 31, 2024.

The purpose of this grant is to improve forensic science services in the Monroe County Office of the Medical Examiner's Forensic Toxicology Laboratory. This program provides postmortem forensic toxicology services to aid in the determination of cause and manner of deaths and toxicology services to aid in the evaluation of cases of driving under the influence of drugs and/or alcohol and drug-facilitated sexual assault. The funds will be used to maintain the Laboratory's accreditation, train staff, increase the analytical capacity of the Laboratory, and purchase supplies needed to minimize testing downtimes. This will be the twenty-first year the County has received this grant. This year's funding represents an increase of \$2,777 from last year. This funding varies annually and is dependent on the total amount of federal funds available and the number of forensic laboratories in New York State eligible to receive funds.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$57,433 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services for the Paul Coverdell Forensic Science Improvement Program (Office of the Medical Examiner's Forensic Toxicology Laboratory) for the period of October 1, 2023 through December 31, 2024.

2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, to make any necessary funding modifications within the grant guidelines to meet contractual commitments, and to enter into any amendments to extend the time period of the grant.
3. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and (31) (“purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this grant is included in the 2024 operating budget of the Department of Public Health, general fund 9001, funds center 5804020200, Forensic Laboratory.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
