Subject: Authorize Intermunicipal Agreements with Orleans County, Genesee County and Various Other Counties for Services Provided by the Monroe County Department of Public Health's Tuberculosis Control Program

Honorable Legislators:

I recommend that Your Honorable Body authorize intermunicipal agreements with Orleans County, Genesee County and various other counties in New York State in an amount not to exceed \$22,000 per county for the provision of Tuberculosis ("TB") control consultative services by the Monroe County Department of Public Health for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year terms at Monroe County's discretion in an amount not to exceed \$22,000 per county per year.

Under the terms of the intermunicipal agreements, the Monroe County Department of Public Health's TB Control Program, in accordance with accepted Federal and State guidelines, will provide consultative services for the management of TB patients on an as needed basis as requested by the various counties. This may include providing physician and nursing consultations via telemedicine and/or in person. This will be the seventh year of providing this service to other counties.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Orleans County for the provision of Tuberculosis control consultative services by the Monroe County Department of Public Health in an amount not to exceed \$22,000 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year terms at Monroe County's discretion in an amount not to exceed \$22,000 per year.
2. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Genesee County for the provision of Tuberculosis control consultative services by the Monroe County Department of Public Health in an amount not to exceed \$22,000 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year terms at Monroe County's discretion in an amount not to exceed \$22,000 per year.

3. Authorize the County Executive, or his designee, to execute intermunicipal agreements, and any amendments thereto, with various other counties in New York State not currently under contract with Monroe County for the provision of Tuberculosis control consultative services by the Monroe County Department of Public Health in an amount not to exceed \$22,000 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year terms at Monroe County's discretion in an amount not to exceed \$22,000 per county per year.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.
