In the event that the Refunding Bonds are issued in certificated form, the Refunding Bonds shall be authenticated by the manual signature of an authorized officer or employee of the Fiscal Agent. The Refunding Bonds shall contain the recital required by subdivision 4 of paragraph j of Section 90.10 of the Local Finance Law and the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Director of Finance-Chief Financial Officer shall determine. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of the Refunding Bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the Fiscal Agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the Fiscal Agent.

Section 4. It is hereby determined that:

(a) the maximum amount of the Refunding Bonds authorized to be issued pursuant to this resolution does not exceed the limitation imposed by subdivision 1 of paragraph b of Section 90.10 of the Local Finance Law.

(b) the maximum period of probable usefulness permitted by law at the time of the issuance of the Refunded Bonds and the objects or purposes for which the Refunded Bonds were issued is 30 years, measured from the date of first borrowing.

(c) the last installment of the Refunding Bonds of each series will mature not later than the expiration of the period of probable usefulness of each of the objects or purposes for which the Refunded

Bonds were issued in accordance with the provisions of subdivision 1 of paragraph c of Section 90.10 of the Local Finance Law.

(d) the estimated present value of the total debt service savings anticipated as a result of the issuance of each series of the Refunding Bonds, computed in accordance with the provisions of subdivision 2 of paragraph b of Section 90.10 of the Local Finance Law, is as shown in the Refunding Financial Plan described in Section 5 hereof.

Section 5. The financial plan for the refundings authorized by this resolution (collectively the "Refunding Financial Plan"), showing the sources and amounts of all moneys required to accomplish such refundings, the estimated present value of the total debt service savings and the basis for the computation of the aforesaid estimated present value of total debt service savings, is set forth in Exhibit A attached hereto and hereby made a part of this resolution. The Refunding Financial Plan has been prepared based upon the assumption that the Refunding Bonds will be issued in the aggregate principal amount of \$8,600,000, and that the Refunding Bonds will mature, be of such terms, and bear interest as set forth in said Exhibit A. This County Legislature recognizes that the amount of the Refunding Bonds, maturities, terms, and interest rate or rates borne by the Refunding Bonds to be issued by the County will most probably be different from such assumptions and that the Refunding Financial Plan will also most probably be different from that attached hereto as Exhibit A. The Director of Finance-Chief Financial Officer is hereby authorized and directed to determine which Refunding Bonds are to be issued, the amount of the Refunding Bonds to be issued, the date of such bonds and the date of issue, maturities and terms thereof, the provisions relating to the redemption of Refunding Bonds prior to maturity, whether the Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, whether the Refunding Bonds shall be sold at a discount in the manner authorized by paragraphs e and f of Section 57.00 of the Local Finance Law pursuant to subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, and the rate or rates of interest to be borne thereby, and to prepare, or cause to be provided, a final Refunding Financial Plan for the Refunding Bonds and all powers in connection therewith are hereby delegated to the Director of Finance-Chief Financial Officer; provided, that the terms of the

Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of Section 90.10 of the Local Finance Law. The Director of Finance-Chief Financial Officer shall file a copy of his certificate or certificates determining the details of the Refunding Bonds and of the final Refunding Financial Plan with the Clerk of the County Legislature not later than ten (10) days after the delivery of the Refunding Bonds, as herein provided.

Section 6. Pursuant to the provisions of paragraph a of Section 56.00 of the Local Finance Law, the power to determine whether to issue the Refunding Bonds having substantially level or declining annual debt service, as provided in paragraph d of Section 21.00 and in paragraph c of Section 90.10 of the Local Finance Law, is hereby delegated to the Director of Finance-Chief Financial Officer. All other matters relating to said Refunding Bonds issued by said County and having substantially level or declining annual debt service, is hereby delegated to the Director of Finance-Chief Financial Officer.

Section 7. The Director of Finance-Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for said Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 8. The Director of Finance-Chief Financial Officer is hereby authorized and directed to enter into an escrow contract or contracts (collectively, the "Escrow Contract") with a bank or trust company chosen by the Director of Finance-Chief Financial Officer, located and authorized to do business in this State (the "Escrow Holder"), for the purpose of having the Escrow Holder act, in connection with the Refunding Bonds, as the escrow holder to perform the services described in Section 90.10 of the Local Finance Law.

Section 9. The faith and credit of said County of Monroe, New York, are hereby irrevocably pledged to the payment of the principal of and interest on the Refunding Bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such Refunding Bonds becoming due and payable in such year.

Section 10. All of the proceeds from the sale of the Refunding Bonds, including the premium, if any, but excluding accrued interest thereon, shall immediately upon receipt thereof be placed in escrow with the Escrow Holder for the Refunded Bonds. Accrued interest on the Refunding Bonds shall be expended to pay interest on the Refunding Bonds on December 1, 2014, or such other first interest payment date of a series as may be determined by the Director of Finance-Chief Financial Officer in accordance with Section 5 hereof. Such proceeds as are deposited in the escrow deposit fund to be created and established pursuant to the Escrow Contract, whether in the form of cash or investments, or both, inclusive of any interest earned from the investment thereof, shall be irrevocably committed and pledged to the payment of the principal of and interest on the series of Refunded Bonds for which such escrow deposit fund was established in accordance with Section 90.10 of the Local Finance Law, and the holders, from time to time, of such series of Refunded Bonds shall have a lien upon such moneys held by the Escrow Holder. Such pledge and lien shall become valid and binding upon the issuance of such series of Refunding Bonds and the moneys and investments held by the Escrow Holder for the Refunded Bonds in such escrow deposit fund shall immediately be subject thereto without any further act. Such pledge and lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County irrespective of whether such parties have notice thereof.

Section 11. Notwithstanding any other provision of this resolution, so long as any of the Refunding Bonds shall be outstanding, the County shall not use, or permit the use of, any proceeds from the sale of the Refunding Bonds in any manner which would cause the Refunding Bonds to be an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended, and, to the extent applicable, the regulations promulgated by the United States Treasury Department thereunder, as then in effect.

Section 12. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Local Finance Law, the County hereby elects to call in and redeem, on August 31, 2014, or such earlier or later date as may be practicable, all callable Refunded Bonds. The sum to be paid therefor on such redemption date shall be, for each called bond, the accrued interest on such bond to the redemption date

thereof plus: the par value thereof with no premium, in the case of the Refunded Bonds, as provided in the 1999 Bond Authorizations. The aforesaid call shall become irrevocable upon the issuance of the Refunding Bonds, and until such time the Director of Finance-Chief Financial Officer may determine, irrespective of the foregoing, that any portion or all of the Refunded Bonds shall not be called. The Escrow Holder for the Refunding Bonds is hereby authorized and directed to cause notices of such calls for redemption to be given in the name of the County in the manner and within the times provided in each Refunded Bond. Such notice of redemption shall be in substantially the form attached to the Escrow Contract. Upon the issuance of any series of Refunding Bonds, the election to call in and redeem the callable Refunded Bonds refunded by such series and the direction to the Escrow Holder to cause notice thereof to be given as provided in this paragraph shall become irrevocable, provided that this paragraph may be amended from time to time as may be necessary in order to comply with the publications requirements of paragraph a of Section 53.00 of the Local Finance law, or any successor law thereto.

Section 13. The Refunding Bonds shall be sold at private sale to an underwriter to be designated by the Director of Finance-Chief Financial Officer, based on his review and analysis of proposals (the "Underwriter"), for a purchase price to be determined by the Director of Finance-Chief Financial Officer on the date of sale thereof, plus accrued interest from the date of the Refunding Bonds to the date of the delivery of and payment for the Refunding Bonds, and all powers in connection with the sale of the Refunding Bonds to the Underwriter are hereby delegated to the Director of Finance-Chief Financial Officer. Subject to the approval of the terms and conditions of such sale by the State Comptroller as required by subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, the Director of Finance-Chief Financial Officer is hereby authorized to execute and deliver a purchase contract for the Refunding Bonds in the name and on behalf of the County providing the terms and conditions for the sale and delivery of the Refunding Bonds to the Underwriter. After the Refunding Bonds have been duly executed, they shall be delivered by the Director of Finance-Chief Financial Officer to the Underwriter in accordance with said purchase contract upon the receipt by the County of said purchase price, including accrued interest.

Section 14. The Director of Finance-Chief Financial Officer and all other officers, employees and agents of the County are hereby authorized and directed for and on behalf of the County to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved hereby.

Section 15. All other matters pertaining to the terms and issuance of the Refunding Bonds shall be determined by the Director of Finance-Chief Financial Officer and all powers in connection thereof are hereby delegated to the Director of Finance-Chief Financial Officer.

Section 16. The validity of the Refunding Bonds may be contested only if:

1. Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
2. The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

The Director of Finance-Chief Financial officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance-Chief Financial Officer shall determine.
